Hello

I was due to receive responses that got lost in the mail. I have the USPS notification from two weeks ago that they were due to arrive that day, and they never did. Could you please email me the response? Thank you.

These were the control numbers:

The image shows a standard U.S. postage stamp with the text "US OFFICIAL MAIL" at the top, followed by a large "F" logo. Below the logo, it says "ZIP MAIL" and "FIRST CLASS MAIL". The postage amount is listed as "ZIP 64054 \$ 000.50". At the bottom, there is a postmark with the date "1994 DEC 03" and the location "KANSAS CITY, MO".
